Annual Summary Report
2016

FAITH
Foundation for Appropriate and Immediate Temporary Help
Building Stronger and Kinder Communities
Dear Friends of FAITH,

It has been an amazing year. Through your generosity we have helped many men, women, and children in our community. This year alone FAITH helped 100 refugees on their journey to becoming self sufficient. Helping our clients stand on their own two feet is always our goal - whether it's a car to get to a job, help navigating an unfamiliar county or school system, or simply a safe place for underprivileged children to flourish.

In this year's report, you'll find more detail about FAITH's impact - from our 12th annual Herndon Without Hunger that fed 900 individuals in need to more information about each program. This work is made possible in large part due to your generosity.

Thank you for being a friend of FAITH.

Dr. Tanveer A Mirza
President

Programs

Refugee Program
Assist families to become self-sufficient through prevention of homelessness as well as training and trade certifications.

Self-sufficiency Program
Assist clients to move from homelessness to self-sufficiency through the use of the FAITH Shelter units and job skill development.

Emergency Program
Provides services to individuals, or families facing urgent financial need. It is intended to be a one-time financial support of an identified service.

Long-term Program
Serves individuals, or families who have barrier's that will prevent them from achieving long-term self—sufficiency. It is intended to provide supplemental support to individuals, or families until permanent supports are set up.

Domestic Violence Program
Serves individuals who are victims/survivors of domestic violence. This program provides comprehensive case management and coordinates services between county, community and internal FAITH resources.

Food Pantry
Program is to provide healthy and wholesome food to those in need of food assistance. Individuals may be current clients, referred by others or walk-in clients.

Children and Teens Program
Provides psychological and social support to the children of current and former Faith clients. Periodically, it may also address their other needs (for example, school supplies or clothing).

Thrift Store
Thrift Store is to make available, at reduced prices, high-quality, donated items for FAITH clients and the general community. The Thrift Store also provides limited job training for select clients. Any profits support other programs.
Supporting Partners
Become a Monthly Donor

We would like to ask for you to consider becoming one of these exceptional individuals, who we fondly call a Friend of FAITH.

One of the biggest things we depend on as a nonprofit is consistency, so that our work can continue. By becoming a monthly donor, you are helping us build strength and stability in partnership with families.

$10  $25  $50  $100 or more*

“What FAITH did for me, nobody else was willing to do. They helped, and expected nothing in return.”

-Syrian Refugee
